VACANCIES

AREA FLOAT POSITION GUIDELINES

The Area Float position may consist of a part time position, which has been combined with float shifts to equal a full time position, or may be 35 flexible hours per week. The Scheduling Manager will schedule the float days and site specific training. A floater position shall not require the employee to work a double shift on all the shifts within a pay period. The area float will be scheduled for two consecutive days off each week (exclusive of any additional shifts accepted by the floater through the scheduling system.)

Floater will be scheduled based on the needs of the sites to which they are assigned. Floaters will not work less than 35.0 hours per pay period. We may schedule floaters for more than the posted total hours per week (35.0), but not to exceed 40.0 hours within a pay period (exclusive of additional shifts accepted by the floater through the scheduling system.)

The manager of the group home where the float is assigned will provide supervision for the area float for the regular shifts.

PLEASE NOTE: THE LOCATIONS ARE SUBJECT TO CHANGE, BASED ON AGENCY NEED, EVEN AFTER A POSITION IS ACCEPTED BY AN EMPLOYEE. THEREFORE ACCEPTANCE OF A POSITION DOES NOT CONSTITUTE AN AGREEMENT THAT LOCATIONS, SHIFTS, AND THE WAY IN WHICH LOCATIONS ARE GROUPED WILL REMAIN THE SAME.

PLEASE NOTE: Requests for transfer must be signed and in the Human Resources Department (HR) on or before the posted deadline. It is the employee's responsibility to ensure that the form is delivered to HR by the deadline.

UNION POSITIONS

The following is a list of union positions: Residential Program Worker, Day Program Worker, Job Coach, Painter, Groundskeeper and Facilities Support Worker. All other positions are non-union.
